The mission of the New Hampshire Foster & Adoptive Parent Association is to support foster and adoptive parents, and remain a consistent strong voice on behalf of all children.

• To bring together foster and adoptive parents, agency representatives and community people who wish to work together to improve the foster care system and enhance the lives of all children and families.

• To promote mutual coordination, cooperation and communication among foster/adoptive parents, foster/adoptive parent associations, child placing agencies and other child advocates.

• To encourage the recruitment and retention of foster/adoptive parents.

• To inform the membership and general public of current issues regarding foster care and foster care adoption.
